Important Information

Although this image is intended to reflect your actual vehicle configuration, there may be some variation between this picture and the actual vehicle. Some items shown are European specifications.

S-GO 656E

PORSCHE

Technical data

8-speed Porsche Doppelkupplung (PDK)

Power unit	
Number of cylinders	8
Fuel grade	98
Bore	86,0 mm
Stroke	86,0 mm
Displacement	3.996 cm ³
Power (kW)	420 kW
Power (PS)	571 PS
Maximum engine speed	6.800 1/min
Max. torque	770 Nm
Power Electric Motor (kW)	100 kW
Power Electric Motor (PS)	136 PS
Torque Electric Motor	400 Nm
Power combined (kW)	515 kW
Power combined (PS)	700 PS
Torque combined	870 Nm
Max. output per liter (kW/l)	105,11 kW/l
Max. output per liter (PS/l)	142,94 PS/l

Consumption/Emissions

NOx emissions	4,6 mg/km
----------------------	-----------

Consumption/Emissions WLTP

Consumption weighted (PHEV model range)	3,0 - 2,9 l/100 km
CO₂-emission combined (WLTP)	69 - 65 g/km
Electrical consumption combined (depleting) (model range)	32,8 - 32,6 kWh/100 km
Electrical consumption combined (weighted) (model range)	24,9 - 24,4 kWh/100 km

Consumption/Emissions (ECE)

Fuel consumption combined	3,2 l/100 km
CO₂ emissions combined	73 g/km

Electric driving

Electric Range WLTP (EAER) - model range	46 - 47 km
Electric Range WLTP City (EAER City) - model range	49 - 50 km
Range combined (ECE)	53 km
Electrical top speed	140 km/h

PORSCHE

Standard options

Exterior Colour

- Carrara White Metallic, Jet Black Metallic, Volcano Grey Metallic, Dolomite Silver Metallic, Copper Ruby Metallic, Aventurine Green Metallic, Night Blue Metallic, Gentian Blue Metallic, Cherry Metallic, Truffle Brown Metallic
-

Interior Colour

- Leather interior in Black, smooth-finish leather
Leather interior in Saddle Brown, smooth-finish leather
Leather interior in Agate Grey, smooth-finish leather
Leather interior in Marsala, smooth-finish leather
-

Exterior

- Panoramic roof system
Two-panel glass sunroof for a bright interior and generous visibility to the outside.
Front glass panel raised and opened electrically, electrically operated roller blind covering entire glass surface, and remote closing function
 - Side window trims in silver colour (high-gloss)
 - 'PORSCHE' logo in Silver colour (high-gloss)
 - Model designation on tailgate in silver colour (high-gloss) with surround in Acid Green
 - Air outlet trims painted in exterior colour
 - Fully galvanised steel-aluminium-hybrid lightweight bodyshell
 - Four doors with integrated side-impact protection
 - Automatic tailgate
 - Engine bonnet, tailgate, doors, side sections, roof and front wings in aluminium
 - 'e-hybrid' logo on both front doors in silver colour (high-gloss) with surround in Acid Green
 - Active bonnet
 - Porsche Active Aerodynamics (PAA) with adaptive roof spoiler (two-way) in black (high-gloss)
-

Drive train / Chassis

- Sport Chrono Package
digital and analogue stopwatch with needle in Acidgreen
mode switch on the steering wheel for selecting driving modes E-Power, Hybrid Auto, SPORT and SPORT PLUS
SPORT PLUS mode for performance-oriented tuning of engine, transmission and chassis
performance display
SPORT Response button for fingertip activation of performance-oriented engine and transmission setups
activation of 'Launch Control' (racing start) in SPORT PLUS mode
individual driving mode can be selected from PCM or the centre console
- 8-speed dual-clutch transmission with manual control via gearshift paddles at steering wheel. Includes an automatic mode with coasting funktion
- Adaptive air suspension with fully load-bearing air-spring struts (three-chamber technology) and self-levelling function. Porsche Active Suspension Management (PASM), electronically variable active system with continuous damper control and three manually selectable modes.
- Porsche Dynamic Chassis Control Sport (PDCC Sport) including Porsche Torque Vectoring Plus (PTV Plus)
Active roll stabilisation system with active electromechanical anti-roll bars at the front and rear axles for an ultra sporty chassis setup. Reduces lateral tilt when cornering and improves driving dynamics and agility. Variable drive torque distribution at the rear wheels including electronically controlled rear differential lock for extra traction and steering precision

PORSCHE

Standard options (continued)

- Active steering of the rear wheels for added agility and a reduced turning circle at low speeds, as well as increased driving stability at high speeds. For this, the rear wheels are deflected in the opposite direction to the steering angle at the front axle, as a function of the speed

Note Panamera models: only in conjunction with Adaptive Air Suspension including Porsche Active Suspension Management (PASM).
- Porsche Ceramic Composite Brake (PCCB)
Advanced braking system with 10-piston aluminium monobloc fixed brake calipers at the front axle and four-piston aluminium monobloc fixed brake calipers at the rear. Carbon-fibre reinforced ceramic brake discs internally vented and cross-drilled with diameter of 420 mm at front and 410 mm at rear. Brake calipers with yellow finish, E-Hybrid models with Acid Green finish (yellow optionally available, order no. 5EK)

Note: Only in conjunction with 20-inch and 21-inch wheels.
- Water-cooled with thermal management
- Porsche Traction Management (PTM): active all-wheel drive with an electronically variable, map-controlled multi-plate clutch, automatic brake differential (ABD) and anti-slip regulation (ASR)
- Aluminium double wishbone front axle
- 4.0 litre twin-turbo V8 engine
maximum power output 420 kW (571 PS)
maximum torque 770 Nm
Electric machine
maximum power output 100 kW (136 PS)
maximum torque 400 Nm
Combined system
maximum power output 515 kW (700 PS)
maximum torque 870 Nm
- Twin-scroll turbocharger
- Porsche Stability Management (PSM) with anti-lock braking system (ABS) and extended brake functions
- 80 litre fuel tank
- Charge-air cooling
- Integrated Porsche 4D Chassis Control
- Brake calipers in Acid Green
- Direct fuel injection (DFI) with central injector position
- Electrically operated parking brake
- VarioCam Plus
- Gasoline particulate filter (GPF), Euro 6d-ISC-FCM emission standard
- Active air intake flaps
- Power electronics, lithium-ion battery with 17,9 kWh energy content and electrically powered auxiliary units (air conditioning compressor and electric brake booster)
- Auto Start-Stop and coasting function
- Aluminium Multi-Link Rear Axle

Wheels

- 21-inch 911 Turbo Design wheels II: Set of forged one-piece alloy wheels with dual-arm 10-spoke design. Front: 9.5 J x 21 ET 71 with 275/35 ZR 21 tyres Rear: 11.5 J x 21 ET 69 with 315/30 ZR 21 tyres

Note: Panamera 4S E-Hybrid models, Panamera Turbo S models and Panamera Turbo S E-Hybrid models with 325/30 ZR 21 tyres at rear

Wheel Accessories

- Tyre Pressure Monitoring System (TPM)

Standard options (continued)

Lights and vision

- LED main headlights including Porsche Dynamic Light System (PDLS)
 main headlights with dipped and main beam, auxiliary main beam and four-point LED daytime running light
Porsche Dynamic Light System (PDLS) with dynamic range control, static and dynamic cornering lights and speed-sensitive headlight range control
 - Automatically dimming exterior mirrors (in conjunction with memory package)
In conjunction with Driver memory package, Comfort seats in front (14-way, electric) with memory package or Adaptive Sports seats in front (18-way, electric) with memory package
 - Rear wiper with intermittent wipe and washer jet
 - Three-dimensional LED taillights with integrated four-point brake lights and light strip
 - Four-Point LED Daytime Running Lights
 - Front light units with position lights and direction indicators with LED light guide technology
 - Automatic headlight activation incl. 'Welcome Home' lighting
 - Front Wiper System including Rain Sensor and Washer Jets
 - Electrically adjustable, folding and heatable exterior mirrors, aspherical on driver's side
 - Mirror courtesy lighting
 - Automatically dimming rear-view mirror
 - Interior lightning concept
Interior lighting: illumination of door handles, front centre console storage compartment, front door storage compartments, reading spot lights and interior lights in front, reading lights rear left and right, orientation lighting front and rear, front footwell lights, illuminated vanity mirrors for driver and front passenger, luggage compartment lighting and glove compartment light
-

Comfort and assistance systems

- ParkAssist including reversing camera
In addition to the features of ParkAssist (front and rear), a colour camera image with superimposed dynamic guidelines and distances from potential obstacles displayed on the screen of Porsche Communication Management (PCM) facilitate controlled reverse parking and manoeuvring. To keep the lens clear, the reversing camera features an integrated cleaning spray nozzle
- Head-Up Display
High-quality, full-colour projection of relevant driving information in the driver's field of vision. The projection allows the information to appear in front of the vehicle. The display position can be adjusted for the driver's height and seat position. The driver is less distracted and can pay more attention to the road. For example, information on the driving speed, engine speed and navigation is displayed. In addition, depending on the vehicle specification, traffic signs, hazard warnings and Sport Chrono information is displayed. The content that is displayed can be individually adjusted.

Note: Use of the Head-Up Display is only possible to a limited extent with sunglasses with polarised lenses.
- Porsche Entry
Access to the car without active use of the key, including contactless opening of the tailgate by foot gesture. Door handle inlays are in silver colour (high-gloss)

Note:
 in conjunction with side window trims in black (high-gloss), door handle inlays are also in black (high-gloss).
 Comfort Access uses state of the art technology. However, it cannot be completely ruled out that the key's wireless encryption code is intercepted and used to open or steal the vehicle.
- Cruise control
- Lane Keeping Assist including Traffic Sign Recognition
- Keyless drive
- Continuously adjustable door brake

Standard options (continued)

Interior

- Flexible luggage compartment roller cover
- 4+1 seats, rear compartment with full-size individual seat design outside left and right and one centre seat
- Comfort seats in front (14-way, electric) with memory package
 14-way power seats (front) with electric adjustment of seat height, squab and backrest angle, fore/aft position, seat squab length and four-way lumbar support for driver and front passenger
 electric adjustment of steering column
 memory function for seat position settings, steering column, both exterior mirrors and other personalised in-car settings
 map pockets on rear side of driver's and front passenger seat backrests
- Seat heating (rear)
With multi-level temperature settings.
- Multifunction GT sports steering wheel with gearshift paddles, steering wheel rim in smooth-finish leather with cross-stitched seam and special leather cutting, thumb rests, trim inserts spokes at 3 o'clock/9 o'clock in black with screws, spoke at 6 o'clock with screws, decorative ring in Black
- Air conditioning
2-zone automatic climate control with separate temperature settings for driver and front passenger, automatic air-recirculation mode incl. air quality sensor
- Instrument cluster with two high-resolution displays
- Two integrated cupholders in front and rear
- Parking pre-climatisation
For heating and cooling the vehicle interior with the ignition switched off. Function can be activated and programmed via the central touchscreen display or Porsche Car Connect. Parking pre-climatisation also functions without the vehicle plug having to be plugged in

Note: Porsche Connect services (including Car Connect Services, but excluding Safety and Security Services) include an initial free subscription period, the length of which may vary by services package and country but shall not be less than three months. The full range of Porsche Connect services or individual services thereof may not be available in some countries. In addition, an integrated LTE-enabled SIM card with data allowance for use of selected Porsche Connect services will be included in the price in some countries. For use of the WiFi hotspot and the other non-included Porsche Connect services, e.g. music streaming, via integrated SIM card in most of these countries, a chargeable WiFi data package is also available from the Porsche Connect Store. Alternatively, you can establish a data connection using a SIM card of your own. For further information on free subscription periods, follow-on costs and availability of individual services in your country, please visit www.porsche.com/connect or consult your Porsche Centre.
- Porsche Side Impact Protection System (POSIP) comprising side impact protection elements in the doors and thorax airbag integrated into the side bolster of each front seat
- Central analogue rev counter with black dial face and 'turbo S' logo, power meter and needles in Acid Green
- Particle/pollen filter with active carbon filter
Traps particles, pollen and odours and thoroughly filters fine dust out of the outside air
- Full-size airbags for driver and front passenger
- Storage compartments in interior (depending on model and personalised specification):
 glove compartment
 storage compartments in both front and rear doors
 storage compartment in centre console
 small centre console storage compartment
- Integrated headrests (front and outer rear)
- Embossed 'turbo S' logo on headrest centres front and outer rear
- Tinted thermally insulated glass all round with grey top-tint on windscreen
- Knee airbags for driver and front passenger
- Rear seats with folding centre armrest and individually folding backrests (40:20:40) with remote power release from luggage compartment
- Seat heating front
- Side airbags in front
- Curtain airbags along entire roof frame and side glazing from the A-pillar to the C-pillar
- ISOFIX fastening system for child seats on outer rear seats
- Alarm system with radar-based interior surveillance

PORSCHE

Standard options (continued)

- Steering wheel with electric fore/aft and height adjustment
 - Centre Console Armrest front with integrated Storage Compartment
 - Floor Mats
-

Alcantara interior

- Roof lining, A-pillar trim, B-pillar cover (upper section), C-pillar and sun visors in Alcantara®
-

Interior Wood

- Dark walnut interior package
Dark walnut decorative wood finish: dashboard decorative trims, door decorative trims front and rear.
Note: Since wood is a natural product, there may be variations in colour and grain.
-

Interior Aluminium

- Door sill guards in brushed aluminium with model designation at front
-

Audio and communication

- BOSE® Surround Sound System with 14 loudspeakers including subwoofer, 14 amplifier channels and a total output of 710 watts. BOSE® Centerpoint® 2 Technology enables the system to play stereo recordings in a virtual surround mode. AudioPilot® Noise Compensation Technology ensures a consistent and well-balanced sound in all driving conditions. BOSE® SoundTrue enhancement technology delivers improved audio quality and dynamics for compressed file formats such as MP3.
Note: reduced luggage compartment volume due to subwoofer underneath the luggage compartment floor. Not valid for Panamera E-Hybrid models
- Digital radio
For receiving digital radio broadcasts in the DAB, DAB+ and DMB audio formats, offering far superior sound. Includes DAB twin tuner and automatic digital/analogue changeover to ensure optimum reception of the selected station
- Porsche Communication Management (PCM) incl. Online-Navigation
Porsche Communication Management (PCM) including Online Navigation¹, Mobile Phone Preparation, Audio Interfaces and Voice Control
high-resolution 12.3-inch touchscreen display in full HD resolution
control of vehicle and comfort functions such as climate settings
multi-touch gesture control: for example, you can control the size of the map view with two fingers using the PCM touchscreen display or Direct Touch Control in the handwriting input field in the centre console
mobile phone preparation with Bluetooth® interface for telephone and music
two USB-C connectivity and charging ports in the front storage compartment, for example for connecting various iPod® and iPhone® models², as well as two USB-C charge ports in the rear
radio with RDS twin-tuner and Diversity for optimum reception
central display of notifications from the vehicle and connected external devices
voice control with natural speech interaction, activation via “Hey Porsche” and multimodal map operation
- Online navigation¹ with:
maps for most European countries
3D map display and 3D navigation map supporting city³ and terrain models with satellite image overlay
dynamic route calculation with online real-time traffic and route monitor for a clear overview of traffic conditions
Note:
¹ requires Porsche Connect
² for information on compatibility with the latest iPod® and iPhone® models, please contact your Porsche Centre
³ not available in all cities

S-GO 656E

PORSCHE

Standard options (continued)

- Connect Plus
Connect Plus incl. Apple® CarPlay, LTE communication module with SIM card reader, wireless internet access, Porsche Car Connect and numerous Porsche Connect services

Note: Porsche Connect services include a free inclusive period of use, the length of which may vary by services package and country but shall not be less than three months. The full range of Porsche Connect services or individual services thereof may not be available in some countries. In addition, an integrated SIM card with data allowance for use of selected Porsche Connect services will be included in the price in some countries. For use of the WiFi hotspot and the other non-included Porsche Connect services, e.g. music streaming, via integrated SIM card in most of these countries, a chargeable WiFi data package is also available from the Porsche Connect Store. Alternatively, you can establish a data connection using a SIM card of your own. For further information on free subscription periods, follow-on costs and availability of individual services in your country, please visit www.porsche.com/connect or consult your Porsche Centre.
- Plug sockets
12V socket in front centre console storage compartment
- Two USB charge ports in rear compartment
- Porsche Vehicle Tracking System (PVTS)
extended vehicle monitoring system
automatic theft detection with silent alarm connected to 24/7 security centre through vehicle
personal notification of customer to verify theft and secure vehicle in cooperation with local authorities

Note:
To use the PVTS, you need to purchase the Security Services. For further information on follow-on costs and availability in your country, please visit www.porsche.com/connect or consult your Porsche Centre

E-Performance

- On-Board AC-Charger with 7,2 kW
Optional on-board AC-charger for increased maximum charging power and faster charging time
- Charge port
- Mobile Charger
- Supply cable for domestic electrical socket
- Supply cable for red industrial electrical outlet (400 V, 32 A, 5 pin)
